Celebrating the Summer Solstice

Dinner in White

An unforgettable evening of elegance, beauty, and magic.

Dear Friends,

Cool Kids Clubhouse is thrilled to invite you to become a sponsor and join us as we Celebrate the Summer Solstice with a Dinner in White, a fundraiser benefiting the Coolest Kids Fighting Cancer. The event will take place on Friday, June 17, 2022.

By participating as a sponsor, individuals and organizations benefit from extended exposure as outstanding members and supporters of our community. We have developed a set of sponsorships for all budgets and commitment levels. You can select the level of participation that best meets your needs and be secure in knowing that your support will be used to help the Cool Kids Clubhouse ensure much needed social, academic, and emotional support is available to kids fighting cancer, survivors, and their families.

Dinner in White is a worldwide event spanning six continents in which people from all backgrounds come together to enjoy an elegant meal dressed in white knowing they are taking part in a truly magical event.

Guests can look forward to an elegant picnic meal provided by an award-winning caterer, champagne, live music, a silent auction, and a chance to light up the sky in honor of **our special guests, the Cool Kids families**. All guests will dress elegantly in head-to-toe white, and the location of the event is kept secret until arrival at the venue.

Your sponsorship benefits Cool Kids Clubhouse supporting kids fighting cancer, survivors, and their families.

Cool Kids Clubhouse provides free programming and support to our families. Families affected by cancer are affected financially, and 68% of our recipients come from underserved communities.

Our programs and outcomes include:

- Children laughing and making new friends at **Smile Celebrations, Drop-In Days, and Summer Programs**
- Parents enjoying a rare night off while their kids also get a break from treatment during our fun-filled, **Monthly Movie Nights**
- Families reconnect and enjoy childhood at our **Vacation Condo**
- Teens come together and form new bonds with friends who understand at our **Teen Game Nights**
- Families connect during our **quarterly festivals**, and kids get to be kids again
- Children improve academically and gain confidence through **tutoring and mentoring**
- Kids in and out of the hospital receive **Smile Boxes** filled with love and joy from Cool Kids
- Families are strengthened during our **Mental Health Counseling Sessions**
