The Cool Kids Campaign's mission is devoted to improving the quality of life for pediatric oncology patients and their families by focusing on the academic, social, and emotional needs brought on by a cancer diagnosis.

Through free programs offered by Cool Kids Campaign, they strive for the most direct impact on serving kids with cancer. The Cool Kids Clubhouses address the academic, social and emotional needs for kids and their families. Their programs such as care packages, caregiver support groups, Cool Kids Connection newspaper, weekend camp, online tutoring, and smile celebrations, all work to keep pieces of childhood intact.
