**SPORTSMANSHIP:** Participants must observe high standards of ethics, sportsmanship, and personal conduct. They shall obey all laws and the authorities having jurisdiction in the tournament area. They shall keep themselves informed and aware of the rules, laws, and conditions applicable to each tournament. Drunkenness during competition and scoring activities is prohibited. No alcoholic beverages shall be permitted in competition boats during competition hours or by competitors at tournament site. Competitors shall yield to inspection by Tournament Officials at any time during the tournament.

**ANGLER CODE OF CONDUCT:** Anglers participating in THIS COOL KIDS CLUBHOUSE event shall observe this code of conduct and the applicable rules for the KICKING CANCER'S BASS event in which they are participating. To this end, anglers, parents, and family members of anglers shall use their best efforts to demonstrate professionalism and integrity in support of the sport of tournament fishing. Any angler, parents, and family members who violate any of the provisions of the angler code of conduct may be subject to forfeiture of tournament winnings, suspension from competing in future CKC events, permanent ban from competing in CKC events, or any combination thereof deemed appropriate by the CKC.

**TOURNAMENT WATERS:** Tournament waters shall be defined as public waters which are accessible by boat from the tournament headquarters. All fishing by participants must be done from a boat on tournament waters. All participants and competing boats must remain on tournament waters throughout the competition hours. It is the responsibility of the anchored boat to make other competitors aware that he or she is anchored.

**THERE SHALL BE NO EXCEPTIONS:** Anglers shall not purposely engage in conversations regarding the locations to gain an advantage and should leave the conversation if the other party starts talking about methods that would provide the angler with a competitive edge for that location. Competitors must leave from and return to official checkpoints by boat. Both competitors must always remain in boat except in case of dire emergencies or with permission from the Tournament Director. In the event of a needed restroom break or a refueling situation at a marina gas pump, contestants can leave the boat, at which time all fishing must cease until partners are back together in the boat. In an emergency, a designated team member may ride in another competitor's boat and bring their fish to the tournament headquarters for scoring only after notifying the Tournament Director first.

**FISH:** Possession limit for our tournaments is five bass (exceptions are actively culling or reeling in a fish). The size limit will be announced by the Tournament Director at blast off. The dead fish penalty is 1/4 pound per dead fish and will be deducted off total weight. If the lunker fish is dead, the 1/4-pound penalty will apply to big fish pot also. You cannot cull a dead fish. A short fish will not be weighed, and a one-pound penalty will be deducted from team's total weight. All fish must measure the predetermined size limit on a Golden Rule (mouth closed and tail pinched). Once a fish is weighed for tournament standings it shall be released at the tournament weigh-in site or in an area designated by the Tournament Director.

**TIMELINESS:** Each team must check in with the check-in boat or at the check-in point marked by the Angler's Choice beacon light on the back of a check in boat or designated dock area. If late, you will be informed at that time. The official time is always on the Tournament Director's clock. Any boat not in the weigh-in area promptly at the appointed time will be assessed a penalty of 1 lb. for each minute late - disqualification after 15 minutes. If you have a big fish, the penalty will be assessed to that fish also.

**SCORING:** Competitor's scores shall be the weight of bass they have caught and kept during the competition hours. Weight may be deducted from competitor's scores by the Tournament Officials as a penalty for short fish, dead fish, or late return to weigh-in. Any bass that appears mangled, mashed, or mauled will be credited only at the discretion of the weigh-in officials. Bringing more than 5 fish to the weigh-in will result in disqualification.

**TIES:** In case of a tie, the prize or points will be divided between the participants equally if for money.

**PROTESTS:** Participants who suspect that the Tournament Rules have been violated may file IN WRITING a protest with the Tournament Director within 15 minutes of the conclusion of that day's weigh-in process and before awards begin. The Tournament Committee will decide all protests. Decisions of the Tournament Director are final.

**VIOLATIONS AND PENALTIES:** Participants shall honor the letter and intent of the Tournament Rules, or they shall be judged to have violated them. All judgments are reserved to the Tournament Officials. All participants are expected to be familiar with the Tournament Rules. Participants accused by Tournament Officials to have violated the principles of fairness, sportsmanship, or ethical conduct explicitly or implicitly included in the Tournament Rules may be disqualified.

**POLYGRAPH TESTS:** Polygraph tests may be given in any of the tournaments and to any participant. Failure to pass the test may result in disqualification.
